

# The 1st Meeting of the Laryngology Society of South Africa

## MONDAY 29TH OCTOBER

14:00 - 15:30

### BACK TO BASICS AND LOOKING FORWARD

Chairman: Michael Benninger

14:00 - 14:10	Opening of the 1st Meeting of the Laryngology Society of South Africa	Lance Maron
14:10 - 14:25	The Relevant Anatomy	Michael Benninger
14:25 - 14:40	The Science Behind Common Vocal Hygiene, Voice Care and Voice Rest	Susan Thibeault
14:40 - 15:00	Diagnostic Precision - The Role of the Detailed Laryngeal Examination	Guillermo Campos
15:00 - 15:15	Difficult Exposure in Direct Laryngoscopy: Pearls and Pitfalls!	Jean Abitbol
15:15 - 15:30	Practicing Laryngology in the Millennial Age: Dealing With Social Media, Difficult Patients and New Technology	Mausumi Syamal

## 15:30 - 16:00 TEA

16:00 - 17:00

### THE FUTURE OF LARYNGOLOGY

Chairman: Lance Maron

16:00 - 16:15	The Future Science: Tissue Engineering of the Vocal Folds: Past, Present and Future	Susan Thibeault
16:15 - 16:35	<b>Laser Debate - Tell Me What's your status? Which One &amp; Why?</b> <b>Quiz Master:</b> Michael Benninger Co2 KTP Blue	Jean Abitbol Seth Dailey Markus Hess
16:35 - 16:45	What's On The Horizon? Nerve Regeneration	Michael Pitman
16:45 - 17:00	In Office Procedures: The Way Forward	Markus Hess

**TUESDAY 30TH OCTOBER****08:00 - 09:00 BREAKFAST WORKSHOP  
IN OFFICE LASER PROCEDURES (CASE DEMONSTRATIONS) & COBLATION IN THE LARYNX**  
Charman: Guillermo Campos08:00 - 08:45 In Office Procedures/ Blue Laser Demo - Markus Hess, Seth Dailey, Lance Maron  
08:45 - 09:00 Coblation - Michael Benninger**09:00 - 10:00  
NEURO-LARYNGOLOGY PART I: SPASMODIC DYSPHONIA (SD)**  
Chairman: Carl Swanepoel

09:00 - 09:15	The Role of Laryngeal Electromyography in Laryngology	Yolanda Heman-Akah
09:15 - 09:30	Spasmodic Dysphonia Vs Muscle Tension Dysphonia: Diagnosis & Role of Speech Therapy	Claudio Milstein
09:30 - 09:45	Spasmodic Dysphonia: Medical Vs Surgical Management.	Seth Dailey
09:45 - 10:00	Electrical Neuromodulating Implants as an Innovative Treatment of Spasmodic Dysphonia	Michael Pitman

**10:00 - 10:30 TEA****10:30 - 13:00  
NEURO-LARYNGOLOGY PART II: PARESIS & PARALYSIS**  
Chairman: Martin Von Lierde

10:30 - 10:45	Laryngeal Nerve Paresis - A Red Herring? What Are We Missing?	Lance Maron
10:45 - 10:55	Thyroid Disease and Paresis	Yolanda Heman-Akah
10:55 - 11:15	Unilateral Paralysis: Injection, Medialisation Thyroplasty and Arytenoid Adduction	Anastasios Hantzakos
11:15 - 11:25	Fat Injections	Yonatan Lahav
11:25 - 11:35	Preoperative 3-D Morphometrical Imaging for Ideal Implant Configuration	Markus Hess
11:35 - 11:50	Laryngeal Re-Innervation: Medialisation Vs Unilateral Re-innervation	Kate Heathcote
11:50 - 12:05	Laryngeal Re-Innervation: Arytenoidectomy Vs Bilateral Re-innervation	Jean Paul Marie

**12:05 - 13:00  
PANEL: MY MOST DIFFICULT CASE**  
Chairman: Michael Benninger  
Panel: Markus Hess, Ramon Franco, Heila Jordaan, Kate Heathcote, Guillermo Campos**13:00 - 14:00 LUNCH****14:00 - 15:30  
THE IRRITABLE LARYNX!!!**  
Chairman: Gary Allan

14:00 - 14:15	LPR: Cough, Globus & Spasm and The Role of PPIs/ Neuro-modulators & Botox	Carmen Gorriz
14:15 - 14:30	Allergic Laryngitis	Andrea Campagnolo
14:30 - 14:45	Paradoxical Vocal Fold Motion/ Exercise Induced PVFM & Respiratory Retraining Therapy	Claudio Milstein
14:45 - 15:00	Trans Nasal Oesophagoscopy: The Patient Pathway for Dysphagia & Globus Symptoms.	Kate Heathcote
15:00 - 15:15	Extra-Oesophageal Reflux - G'Scope/ Impedance Manometry/ Swallow Studies/ Nissen's	Gastro's Perspective
15:15 - 15:30	Globus Patients: Send Them Over!!!! Osteopathic Manipulation	Jacob Lieberman

**15:30 - 16:00 TEA****THE PROFESSIONAL VOICE WORKSHOP**  
Chairman: Lance Maron

16:00 - 16:15	Benign Lesions in Singers: What's the Difference? When To Operate!	Iris Rodriguez
16:15 - 16:30	Osteopathic Manipulation in Singers	Jacob Lieberman

**16:45 - 18:00 PANEL: CASE PRESENTATIONS & PERFORMANCES BY THE WATERFRONT THEATRE SCHOOL**  
Panel: Iris Rodriguez, Andrea Campagnolo, Jacob Lieberman, Michael Pitman, Debra Phyland, Adele Strombeck

**WEDNESDAY 31ST OCTOBER****RECURRENT RESPIRATORY PAPILLOMA**

Chairman: Fred Dikkers

08:00 - 08:15	Current Trends in Papilloma/ What We Know and The Risk for Malignant Transformation	Fred Dikkers
08:15 - 08:30	Surgical Approaches	Seth Dailey
08:30 - 08:45	The Vaccine and Adjuvant Therapy	Karen Kost

**08:45 - 09:15****PAPILLOMA PANEL: CASE PRESENTATIONS**

Chairmen: Fred Dikkers

Seth Dailey, Karen Kost, Shazia Peer

**09:15 - 10:00 PITCH PERFECT!**

Charman: Rory Atwood

09:15 - 09:30	Vocal Feminization	Taner Yilmaz
09:30 - 09:45	Puberphonia/ Mutational Falsetto	Heila Jordaan
09:45 - 10:00	Geriatric Voice	Karen Kost

**10:00 - 10:30 TEA****10:30 - 13:00****BENIGN LARYNGEAL LESIONS**

Chairman: Lood Rabie

10:30 - 10:45	Vocal Fold Mucosa and Scarring – Basic Biology and Wound Healing	Susan Thibeault
10:45 - 11:00	Phonemicsurgery.	Guillermo Campos
11:00 - 11:15	CO2 Laser: The Do's & Don'ts!	Jean Abitbol
11:15 - 11:30	Glottic Webs	Michael Pitman
11:30 - 11:45	Scar Wars	Elizabeth Sjogren
11:45 - 12:00	Cysts, Sulci and Mucosal Bridges - A Difficult Family.	Nupur Kapoor
12:00 - 12:15	Subglottic Stenosis	Ramon Franco

**12:15 - 13:00****PANEL: LESIONS OF THE LARYNX (BENIGN/INFECTIVE/INFLAMMATORY/MALIGNANT)**

Chairman: Jean Abitbol

Panel: Fred Dikkers, Anastasios Hantzakos, Elizabeth Sjogren, Kumud Kumar Handa

**13:00 - 14:00 LUNCH****14:00 - 15:30****CA LARYNX - COMBINED SESSION WITH HEAD & NECK MEETING  
Minimally Invasive Voice Sparing Surgery in Cancer of the Larynx. When & Why?**

Chairman: Marc Merven

14:00 - 14:15	Vocal Fold Leukoplakia: What's the worst that could happen?	Ramon Franco
14:15 - 14:30	Early Glottic Carcinoma: Which Is the Best Treatment	Petra Ambrosch
14:30 - 14:45	Local Distribution of Malignant Glottic Disease/ NBI in Diagnosis & Follow-Up/ CO2 vs KTP	Yonatan Lahav
14:45 - 15:00	Endoscopic Management of Ca of the Larynx: Pushing the Limits!	Kumud Kumar Handa
15:00 - 15:15	Functional Outcome After Treatment of T1/T2 Glottic Carcinoma	Elizabeth Sjogren
15:15 - 15:30	Carbon Granuloma Post TLM Cordectomy in Early Glottic Ca - Management & Prevention	Nupur Kapoor

**FINAL COMMENTS****LARYNGOLOGY MEETING ADJOURNED**
